

BERON J G

Façade Designer | BIM Modeler – Façade Systems

+91 9444473027 @ beronjg@gmail.com linkedin.com Bangalore, India [My Portfolio](#)

SUMMARY

Façade Designer experienced in Façade detailing, BIM modeling and shop drawings for cladding and glazing systems. Proficient in AutoCAD and Revit with strong interest in curtain wall and glass façade design.

EXPERIENCE

Façade Designer

Aakruthi Facade Solutions Pvt Ltd

Jun 2025 - Present Bangalore, India

Working as a Façade Designer involved in façade panel detailing and preparation of shop and fabrication drawings for building envelope systems.

- Prepare **shop drawings, fabrication drawings**, and installation details for façade panel systems including terracotta cladding assemblies.
- Produce **sectional details, fixing details**, and façade panel arrangements ensuring constructability and installation accuracy.
- Coordinate façade drawings with internal teams to align with **architectural design and project requirements**.

Freelance Design

Jan 2025 - Jun 2025

Provided freelance architectural drafting and design services for residential and small commercial building projects.

- Prepared **building plans, elevations, and layout drawings** using **AutoCAD** based on client requirements.
- Developed **functional and aesthetically balanced building layouts** for residential projects.
- Delivered clear technical drawings supporting **design presentation and client approvals**.

Trainee Façade Designer

Mero Asia Pacific Engineering Pvt Ltd

Dec 2023 - Dec 2024 Chennai, India

Working as a Façade Designer involved in façade panel detailing and preparation of shop and fabrication drawings for building envelope systems.

- Developed **Revit BIM models and detailed 3D façade** views for complex areas including atriums and **glazed façades**.
- Provided **CAD and BIM support** for **façade engineering** projects, including **Navi Mumbai International Airport**.
- Produced **AutoCAD shop drawings and fabrication drawings** for façade components and glazing assemblies.
- Supported senior designers in preparing **production drawings** and **design revisions** based on consultant feedback
- Coordinated façade drawings with architects and consultants to ensure **accurate façade system** integration.

KEY ACHIEVEMENTS

Major Project Contribution

Contributed to façade design documentation for **Navi Mumbai International Airport** project while working at Mero Asia Pacific Engineering.

BIM Façade Modeling

Developed **Revit BIM façade models** and detailed views for complex areas including **glazed façade zones**.

Façade Documentation

Prepared **shop drawings, fabrication drawings, and installation details** for façade cladding systems ensuring constructability and coordination with architectural designs.

EDUCATION

Bachelor of Engineering

St Joseph's College Of Engineering

2024 Chennai, India

Strong foundation in **structural design, building materials, construction technology**, and **engineering drawing**.

Diploma in Polytechnic

BWDA Polytechnic College

2021 Kanyakumari, India

Studied building **construction, materials, surveying**, and structural fundamentals.

SKILLS

AutoCAD **Revit architecture**

Mircosoft Office **SketchUp**

Curtain Wall Systems **Terracotta**
